Dear Mayor Silvia,

I wish to express the City of Navasota's support of the TMPA Regional Park and extend our assistance on this project. This regional park holds tremendous potential for the Brazos Valley, and we recognize its impact on our region. We will provide our political cooperation for this project and are open to requests that will help facilitate the acquisition of the TMPA property.

I also want to thank College Station Parks Director Steve Beachy for meeting with myself and City of Navasota representatives. Steve, along with John Crompton, Dick Haddox, and Scott Shafer, provided us with a great deal of detail on the status of the property acquisition and future funding prospects. We appreciate their time and expertise in bringing us up to date on this worthwhile project.

Thank you for your work on this project. If you have any questions or concerns, please feel free to contact myself at (936)825-6444 or City Manager Edward Broussard at (936)825-6408, ext. 107.

Sincerely,

Patricia M. Gruner
Mayor
